

Donation Form

Energy Innovation Co-operative Ltd (abn 18 807 187 154) supports community groups in and around Bass Coast and South Gippsland to install renewable energy and energy efficiency measures, helping them cut power bills and put vital investment back into their primary activities.

We are extending this service into the Latrobe Valley and across the wider Gippsland region, and will supplement it with small grants to the most-in-need communities as the Fund builds.

Your donation will help build the **Southern CORE (Community Owned Renewable Energy) Fund**.

Community groups can apply for no-interest loans to fund solar panels, solar hot water or energy efficiency measures. Interest-free loans are paid back to the Fund from energy savings, to support future projects. Each donation is invested over and over again!

The Co-op is a registered charity with the ACNC. It is also a Registered Environmental Organisation able to offer tax deductibility for donations.

Our very first project has now been supported (November 2017). A \$20,000 no-interest loan is enabling Foster Community Pool Association to complete works before this summer to install a solar thermal heating system on the roof of a large, newly erected shelter at the pool. Warming the waters of this lovely outdoor pool, with its grassy shade areas and treed surrounds, will help grow the capacity of the pool to attract locals and visitors alike. This helps ensure the pool's long term financial viability.

Multiple Foster community groups came together to fundraise for this and a partner project putting solar PV on the roof of Manna Gum Community House. They raised most of the funds. The Southern CORE Fund no-interest loan enables them to get on and finish the project now!

Help us support the next community project! Thank-you for your support in working towards a green energy future!

Please complete the form overleaf and email or post details of your donation to:

info@eico-op.com.au (attention Treasurer) or PO Box 111 Inverloch 3996. Please provide your **full contact details** including email & address, so we can send a receipt.

Donor Details (needed for provision of receipt)

Date:		Name:	
Postal Address
